The screenshot shows a web-based payroll system interface. It includes a navigation menu with options like Sales, Accounts, HR/MSD, Payroll, Report, Time/Attendance, and Add New Customer. The main section is titled 'Manage Daily Attendance' and displays a table with columns for Employee ID, Start Hours, Min, End Hours, Min, and AM/PM. Below this, there is a table showing attendance records for various dates, with columns for Date, Start, and End.
